Load-Out Chute

Call for pricing.

Leasing available please contact us for more information.

Incoming and outgoing, the Bowman Load-Out Chute and Facility makes the whole operation move smoother. Chute is available alone or with a half-circle, solid panel pen with full solid panel gate that swings around the pen behind animals to push them into the chute.

SPECIAL FEATURES:

- Stair-stepped chute floor provides more positive footing for cattle.
- Steel walkway on side of chute for loaders to move cattle safely.
- Telescoping gates on upper end of chute; gates open to different angles, depending on loading/unloading requirements.
- Optional swivel-dock platform for loading trucks when space doesn't permit straight back-in.

Dealerships available in some areas.
